**Awards Application:**

Are you submitting this project for a National Design-Build Award?

**Awards Online Entry Form Requirements**

Each Fall DBIA recognizes excellence in design-build through our Annual awards competition. To participate in DBIA's National Design-Build Project Awards Competition, you must complete and submit the online entry form. Projects must have been completed within the last 3 years. DBIA staff will confirm your project's eligibility to compete in the coming years' competition. To view the complete requirements for this years' competition, please visit: <http://www.dbia.org/about/awards/national/default.htm>

Be sure to select your contact persons carefully as they will be required to respond immediately to mailed and e-mailed communication regarding the competition, and if you should win, to confirm your company's participation in the event.

Proofread the information you provide carefully. Should you win, it will be used exactly as entered for engraving of awards, presentations, printed materials at the award ceremony, and in the award issue of Design-Build DATELINE, DBIA's monthly journal.

After you complete the entry form online, please wait the 72hr period for your project to be approved before contacting DBIA with corrections. Please note that each submission requires a separate entry form.

YES! We would be interested in an opportunity to showcase our project in a classroom setting during Exhibit Hall Hours at one of DBIA's Conference conferences.

### Award Acceptance

Should your project win, you will be invited to accept the award at an awards ceremony during DBIA's Annual Conference & Expo. Please provide the contact information for up to three individuals who will accept the single award on your project team's behalf. Only three may accept the award on stage due to scheduling constraints at the ceremony. No exceptions will be made. If you cannot submit the names at this time, for production purposes you will be required to submit them a month prior to the Awards Ceremony.

We have not yet selected the individuals from our team who will accept the award at the ceremony. We understand we must submit these names to DBIA by August 30.

### Engraving Information

In the event your project should win, this information will be used for engraving the physical award. Please make sure all text is correct as it will be engraved on the award exactly as you submit it here. (NOTE: DBIA presents ONE award to the project team. Additional awards are available for purchase through DBIA after the ceremony.)
