

Bluebeam® PDF Revu®
Create. Edit. Share. PDF.

Smart PDF Technology for Sharing Project Documents.

Today's AEC professional receives countless documents and designs as PDF files. The challenge is working efficiently with these electronic documents without the costly process of printing, scanning or faxing. Bluebeam PDF Revu is a smart, easy to use software application that allows you to add markups, make edits and calculate takeoffs on the PDF electronically, virtually eliminating paper waste. For the AEC professional on the go, Bluebeam is compatible with tablet pcs, so you can create, view, markup and edit documents from any job site.
