

SECURITY
for your most sensitive
information.

PEACE OF MIND
for you.

**AWARD-WINNING
TOTAL PRECAST
STRUCTURES**
by the
Shockey Precast Group

Classified military documents. Insurance customer records. Credit card account information. Protect your most sensitive information with a Total Precast Structure by The Shockey Precast Group.

Offering endless design possibilities and freedom, Shockey total precast structures like the 2006 PCI Design Award-winning Highmark Data Center can reduce the overall construction schedule, save money, and provide the strength and durability demanded of mission-critical buildings. And with The Shockey Precast Group on your design team, you'll gain peace of mind from knowing you have an experienced and trusted partner on your side.

To learn more about total precast structures by Shockey, call us at 540-667-7700 and ask to speak to a Shockey Precast Sales Representative. To request your copy of Shockey's award-winning 2007/2008 Total Precast Systems Design Guide, email thaney@shockeyprecast.com and mention code TPS07.
