

Design Excellence/Design-Build

An International Conference | London

For more information, visit www.aia.org/db.

PRESENTED BY: AIA UK, AIA Design-Build, AIA International Committee
COSPONSORED BY: Design-Build Institute of America

September 27-29, 2007
Royal Institute of British Architects
London, UK

DBIA, in conjunction with AIA and AIA UK, is sponsoring an international conference on design-build. Subjects covered will include the future role of architects in design-build, outstanding design through design-build, sessions on the role of architects in design-build and their perspectives on d-b, and education for architects interested in design-build.
