

BUILT TO SERVE

Since 1915, Commercial Metals Company and subsidiaries have manufactured, recycled and marketed steel and metal products, related materials and services through a network including steel minimills, steel fabrication and processing plants, construction-related product warehouses, a copper tube mill, metal recycling facilities and marketing and distribution offices in the United States and international markets.

We are more than the steel we produce...

- Structural Fabrication
- Joist & Deck
- Cell Beams
- Construction-Related Products
- Rebar Fabrication
- Minimills
- Raw Materials

163 locations across the U.S. to serve your construction needs
