

An experienced  
lawyer  
will not only help  
you win battles—  
but will help you  
decide which  
ones to Fight.

Joel Lewin,  
Construction & Public Contracts  
Partner

**Winning litigation strategies begin  
with careful analysis and realistic case assessment.**

Identifying critical legal issues up front often leads to successful outcomes.

At Hinckley, Allen & Snyder, we evaluate cases early and use resources efficiently, resulting in a more cost effective and directed litigation strategy.

Think of us when you or your company needs solid, practical advice from a top-notch law firm.
