UNO Charter Schools

Austin AECOM is currently providing full design and construction management services to renovate existing schools, occupied and unoccupied, for UNO Charter Schools. The work will bring the existing facilities up to code, add decorative improvements, complete an interior build-out per a new program, and improve HVAC service to the classrooms.

Projects include:

- Bartolome de las Casas Elementary School
- Carlos Fuentes Elementary School Project
- Octavio Paz Primary & Intermediate Schools
- Rufino Tamayo Elementary School
- Brighton Park Campus School
