

CALL FOR NOMINATIONS

2010

Brunelleschi Lifetime Achievement Award

Call for Nominations

DBIA invites you to nominate an industry leader for the **Brunelleschi Lifetime Achievement Award**. The award is presented to an individual who has made significant contributions to the design and construction industry through outstanding leadership and the advancement of design-build integrated project delivery. The award may be presented to any individual, independent of specific institutional affiliation with any organization, including the Design-Build Institute of America (DBIA). The number and frequency of awards are strictly at the discretion of the jury. Nominations may be submitted by organizations or individuals, including the nominees themselves.

Judging & Fees

Nominees are judged by the originality, vision, breadth and impact of the entire body of their professional work. Candidate selection must go beyond mere name recognition and reputation.

Industry leaders will evaluate nominations based on the below requirements. The names of the award winner(s), if any, will be announced to the nominees prior to DBIA's annual conference so they have the opportunity to accept the award in person at a formal presentation during the Design-Build Conference & Expo in Las Vegas, NV, October 18-20, 2010.

There is no entry fee for Brunelleschi Lifetime Achievement Award nominations.

Nominations must be formatted in Microsoft Word and submitted via email to Stephenie Zvonkovich at szvonkovich@dbia.org. DBIA will not accept nominations submitted via fax.

DBIA must receive all nominations no later than **May 17, 2010**.

Nominations Requirements

Cover Page

- The text: "2010 Brunelleschi Lifetime Achievement Award"
- Nominee's name, position, company/organization, and contact information (mailing address, email and phone number(s)).
- Contact information of the person submitting the nomination (name, organization, mailing address, email and phone number(s))

Inside Pages

- Provide a detailed description answering how the nominee meets the award criteria indicated below.
 - Twenty-five years or more of strong and well-documented commitment to design-build project delivery and single source responsibility.
 - Use of design-build in a new or emerging application (BIM, D-BOT, D-BOM, etc.), a new project type or the development and use of a new technology.
 - Vocal and written advocacy of design-build project delivery.

Distinguished Design-Build Leadership Awards

Call for Nominations

DBIA invites you to nominate industry leaders for the **Distinguished Design-Build Leadership Awards**. These awards are presented to individuals who have demonstrated leadership in the advancement of best design-build practices and promotion of design-build as the project delivery method of choice. Nominees need not hold DBIA membership. Nominations can be submitted by DBIA members, by other practitioners or the nominees themselves.

Award Categories

Awards may be presented in the following categories.

Owner

- Public Sector
- Private Sector

Industry Professional

- Including, but not limited to, architect, engineer, specialty contractor, and attorney

Legislator

- National Legislator
- State Legislator
- Local Legislator

Full-time Faculty

- Faculty must represent an accredited institution of higher learning

Student

- Enrolled in an academic program, either undergraduate or graduate, during the 2009-2010 academic semesters

Category Criteria

Public and Private Sector Owner nominees are judged by the overall impact of their professional work. They are evaluated in terms of their achievements in furthering design-build as a delivery method as demonstrated in *one or more* of the following areas.

- A strong and well-documented commitment to design-build and single source responsibility contracting through repeated use.
- Use of design-build in a new or emerging application, such as D-BOT or D-BOM, a new project type, or the development and use of a new technology.
- Active participation on the design-build team by attending meetings and making decisions in a timely manner.
- A strong involvement in the design-build industry through DBIA or other organizations.
- Vocal and written advocacy of design-build and design-build best practices.
- Commitment to the use of design-build best practices.

Industry Professional nominees are judged by the overall impact of their professional work. They are evaluated in terms of their achievements in advancing design-build as a delivery method as demonstrated in *one or more* of the following areas.

- A strong and well-documented commitment to design-build and single source responsibility contracting through repeated use.
- Use of design-build in a new application, such as D-BOT or D-BOM, a new project type, or the development and use of a new technology.
- Active participation on the design-build team by attending meetings and making decisions in a timely manner.
- A strong involvement in the design-build industry through DBIA or other organizations.
- Vocal and written advocacy of design-build and design-build best practices.
- Commitment to the use of design-build best practices.

National, State & Local Legislator nominees are judged by the overall impact of their legislative careers. They are evaluated in terms of their achievements in furthering design-build as a delivery method as demonstrated in *one or more* of the following areas.

- A strong and well-documented commitment to alternate delivery strategies, including design-build project delivery.
- Sponsorship or co-sponsorship of design-build enabling legislation on the federal, state or local level.
- Vocal and written advocacy of design-build and design-build best practices for use in public agencies or departments.

Faculty nominees are judged by the overall impact of their research and teaching careers. They are evaluated in terms of their achievements in furthering design-build as a delivery method as demonstrated in *one or more* of the following areas.

- Development of a series of courses or a curriculum on design-build; or use of DBIA curriculum through DBIA's University Program
- Research and development in the promotion of design-build and design-build best practices.
- Involvement in the design-build industry.
- Mentoring students in design-build.
- Encouragement and active involvement in DBIA student chapters.
- Vocal and written advocacy of design-build.

Student nominees are judged by the overall direction and impact of their student careers. They are evaluated in terms of their achievements in furthering design-build as a delivery method as demonstrated in *one or more* of the following areas.

- Enrollment in a series of courses or a curriculum on design-build.
- Contact with and mentoring by design-build professionals.
- Articulation of design-build issues to other students and faculty.
- Completion of papers, theses, or dissertations on items relating to design-build.
- Participation in design-build competitions.
- Participation in national or regional DBIA events (conferences, seminars, etc.).
- Founding/leadership role in DBIA student chapter*.

* Only applicable if a DBIA student chapter currently exists on campus

Nominations

There is no entry fee for nominating an individual for the Design-Build Leadership Awards. Nominations must be formatted in Microsoft Word and submitted via email to Stephenie Zvonkovich at szvonkovich@dbia.org. Nominations may not be submitted via fax. All nominations must be received by DBIA National no later than **May 17, 2010**.

In the nomination submission, include the following:

Cover Page

- The text - "2010 Distinguished Leadership Awards"
- Nominee's name, position, company/organization, and contact information (mailing address, email and phone number(s)). If the nominee is a student, please be sure to include where he/she may be reached during the summer months.
- Contact information of the person submitting the nomination (name, organization, mailing address, email and phone number(s))

Inside Pages

Include the following:

- Provide a detailed description answering how the nominee meets the award criteria
- Visual aids may be included if supportive of the nomination. They should not exceed 8.5" x 11" in size and should be included within the nomination document. Videocassettes and DVDs will not be accepted.

Signed Agreement

- The following statement must be included at the end of the nomination:

"I understand that the contents of this entry become the property of DBIA and will not be returned. I further understand that DBIA shall have the right to make all text and photos, if any, available for publication without compensation, real or implied, and without claim by nominees against the jury, DBIA or its staff, or individual DBIA members." (Include either an electronic signature or your initials, and the date, as agreement to this statement.)
