

# MAXWEISS

ANGLES • CHANNELS • BARS  
BEAMS • TUBES • PIPES

At Max Weiss, our unique structural forming process, knowledgeable staff and skilled craftsmen have provided our customers with exceptional quality and industry leading service since 1946.

We have the ability to curve many sizes of structural steel sections and metal shapes both easy and hard way, as well as perform off-axis and elliptical bending. In addition, we provide various value-added and specialty services to quote your project complete.

For a trusted, reputable source for quality curved steel products, give us a call and see how we're...
