*** Plus - Free Full Page Ad in Design-Build Expo Show Guide for all October Full Page Advertisers**

Don't miss the opportunity to advertise in Design-Build *DATELINE*, the monthly journal published 10 times per year by the Design-Build Institute of America (DBIA). *DATELINE* is the only national publication covering the integrated project delivery method.

With a growing circulation nearing 10,000. *DATELINE* readers include DBIA members along with leaders of major project teams and public and private sector owners and operators.

The must-read journal for the Design-Build community. *DATELINE* keeps you up to date on How-to Design-Build, Best Practices, Lessons Learned, Overcoming Challenges, Technology & Collaboration Tools, and Successful Projects – including winners of the National Design-Build Awards Competition.
