TUBE & CONDUIT

Razor Ribbon[®] Barbed Tape products have been an integral part of perimeter security design for over twenty years. For every application there is a Razor Ribbon product with the necessary coil diameter, loop spacing, and barb type. Wherever the line is being drawn, Razor Ribbon is part of it.

- MAZE[®]
- DETAINER HOOK BARB[®]
- SUPERMAZE[®]
- INSTABARRIER[®]
- DOUBLE COIL
- BTC CONCERTINA

SS-40[®] Fence Framework was designed expressly for the fence industry and has become the country's most widely specified fence pipe.

Superior Strength means a Bending Moment that stands up to ice and wind loads.

Triple Coating means long life for any installation regardless of the environment.

Made in America means pride in workmanship.

Technical Support

Allied Tube is pleased to provide technical assistance regarding the design and installation of Razor Ribbon or SS-40 products in any security facility.
