# Quality People. Quality Projects.™

Memorial Stadium - University of California, Berkeley

Established in 1978, Robert A. Bothman, Inc. has been designing and constructing world-class sports facilities that demonstrate the measure of our success. Whether you need a state-of-the-art synthetic turf athletic field or a multi-use sports complex, Robert A. Bothman, Inc. has the team to build the project to your specifications. Our award winning projects are built with quality from the first turn of a shovel to the final placement of turf infill. With our ownership mentality we adhere to the highest standards of quality and safety while meeting your construction schedule and budget with no excuses. While our projects often win awards, your satisfaction is our ultimate goal.
